Logistics House, Buckshaw Avenue. Chorley, Lancashire. PR6 7AJ

Has been assessed  
by Daniel Pollard for NCC Group  
against the Cyber Essentials Scheme Test Specification

Level of certification: Cyber Essentials PLUS

Scope: TVS Supply Chain Solutions Limited

Certification date: November 22nd, 2016

Recommended re-assessment date: **November 21st, 2017**

Certificate no.: 8012431006546016

This Certificate confirms that the organisation named was assessed against the Cyber Essentials Requirements dated June 2014, and at the time of testing, the organisation's ICT defences were assessed to meet the Requirements. Cyber Essentials Certification indicates that the organisation has implemented a sensible baseline of organisational cyber security only, and implies no guarantee of effective defence against commodity cyber attacks circumventing this baseline. Organisations are recommended to define and understand the risks to their organisation and take all appropriate action to mitigate or reduce any issues, which may require a greater degree of rigour or technical investment than is required for Cyber Essentials alone.
