## **TVS SCS achieves milestone of 500,000 two-wheeler CKD kits for its customer**

- *Demonstrates a consistent pattern of adding 1 lakh CKD Kits to the milestone every 5 months*

**Chennai, April 11, 2024:** TVS Supply Chain Solutions Limited (NSE: TVSSCS, BOM: 543965), a global supply chain solutions provider and one of the largest and fastest growing integrated supply chain solutions providers in India, today announced that they achieved a milestone of 500,000 CKD (Complete Knock-Down) kits for its customer, TVS Motor Company. This was achieved in TVS SCS' dedicated warehouse facility at Hosur. The company's advanced warehouse facility spanning 1,50,000 sq. ft, ensures defect-free dispatches and prevents parts mismatch.

At its Hosur facility, TVS SCS provides end-to-end value-added services like, production planning, quality management, inbound material activities, kitting, reverse logistics, export, etc. The fully automated facility achieved its first milestone of 100,000 CKD kits in July 2022, subsequently, it demonstrated a consistent pattern of adding one lakh kits to the milestone once in every five months.

Says **Mr. Ravi Viswanathan, Managing Director, TVS Supply Chain Solutions**, "It is a remarkable milestone that highlights the significance of our digital capabilities, scalability and adaptability that ensured we stayed in line with our customers' evolving requirements. Through our value-added services we deliver world-class sub-assembly and kitting processes by utilising AI and visual technology."

The CKD kits cater to TVS Motor's 26 export markets in Asia and Africa. TVS SCS's ultra-modern tech-driven facility supports in enhancing global export capabilities through CKD assembly with a focus on achieving zero defects.

Currently, around 220 personnel are employed across various production departments at its Hosur facility. This includes 30 women employees involved in various activities like primary packing, secondary packing, quality, and binning processes of the CKD kits.

### **About TVS Supply Chain Solutions**

Promoted by the erstwhile TVS Group and now part of TVS Mobility Group, **TVS Supply Chain Solutions Limited** ("TVS SCS" or "Company") is an India-based multinational company, who pioneered the development of the supply chain solutions market in India. For the last 15 years, TVS SCS has managed large and complex supply chains across multiple industries in India and select global markets through customized tech-enabled solutions. The Company's customers span across numerous industries such as automotive, industrial, consumer, tech and tech infra, rail and utilities, and healthcare.

TVS SCS provides specialized solutions spanning the entire value chain from sourcing to consumption, to reduce complexity in its customers' supply chains by using technology, data analytics and execution experience. The company's digital platforms are largely cloud-based, powered by a micro service-based architecture and are highly scalable and reliable, thereby enabling it to implement solutions across multiple geographies in a relatively short time.
