# Life insurance cover under PMJJBY may be doubled

HARSH KUMAR  
New Delhi, 27 June

The Union finance ministry is working on a proposal to double the life insurance cover under its flagship financial inclusion insurance scheme, the Pradhan Mantri Jeevan Jyoti Bima Yojana (PMJJBY), said a senior government official.

As part of this revamp, a revision in premiums is also under consideration. “Under the proposed plan, the life insurance cover under PMJJBY, which currently provides a one-year term life cover of ₹2 lakh for individuals aged 18-50 years, may be doubled to ₹4 lakh.

However, the annual premium, which is currently ₹436 per subscriber, could also be increased to ₹700-800,” the official said. The official said the government was also considering expanding coverage under the Pradhan Mantri Suraksha Bima Yojana (PMSBY), details of which are yet to be finalised.

“The government is still in the process of gathering feedback and assessing the feasibility of the proposed enhancements,” the official said. An email sent to the finance ministry remained unanswered till the time of going to press. The official added that the key concern being examined was the affordability of higher premiums, especially among low-income segments.

“Feedback from public-sector banks (PSBs) indicates there is already some resistance from customers to the existing ₹436 premium. Without an upward revision, it would be difficult to sustain or expand the scheme,” the official added. The PMJJBY is a government-backed life insurance scheme aimed at providing coverage for death due to any reason.

It offers a one-year renewable cover, administered through Life Insurance Corporation (LIC) and other approved life

ILLUSTRATION: BINAY SINHA

## Coverage boost

- As part of the revamp, revisions in PMJJBY premiums are under consideration
- Annual premium of PMJJBY, currently at ₹436 per subscriber; it may be increased to ₹700-800
- The government is also mulling expanding the coverage under the Pradhan Mantri Suraksha Bima Yojana
- Insurance penetration in India peaked at 4.2% in 2021-22 but has since declined

insurers in partnership with participating banks or post offices. As on April 23, 2025, more than 236.3 million people had enrolled, and ₹18,398 crore had been disbursed for 920,000 claims.

The PMSBY is an accident insurance scheme that provides coverage of up to ₹2 lakh for accidental death or disability at a nominal premium of ₹20 per annum. It offers a one-year renewable cover and is administered through Public Sector General Insurance Companies (PSGICs) and other approved general insurers in collaboration with participating banks or post offices.

Individuals aged 18-70 years holding a bank or post office account and who give consent to auto debit are eligible to enrol through only one account, even if they have multiple. As of April 23, 2025, over 510.6 million people have enrolled under the scheme, and ₹3,121 crore has been paid out against 157,000 claims.

The PSBs have fallen short of achieving the annual targets of the two flagship insurance schemes for social security, PMSBY and PMJJBY, according to government data reviewed by *Business Standard*.

Till October 2024, while PSBs had achieved only 40 per cent of their annual enrolment target of 64 million for PMSBY,

they had met just 30 per cent of the 41 million target for PMJJBY.

Among PSBs, Bank of India had the lowest achievement with only 11 per cent of the target, followed by UCO Bank (14 per cent), Bank of Maharashtra (24 per cent), and Union Bank of India (24 per cent). State Bank of India (SBI) and Indian Bank had the highest enrolment percentages, 60 per cent and 45 per cent, till October 2024, respectively.

The annual report of the Insurance Regulatory and Development Authority of India (Irdai) reported a worrying fall in insurance penetration, including both life and non-life, which fell to 3.7 per cent in financial year 2023-24 from 4 per cent in the preceding year.

Life insurance penetration declined to 2.8 per cent of GDP in FY24, compared to 3 per cent in FY23. India's insurance penetration remains significantly lower than the global average of 7 per cent in 2023, which rose from 6.8 per cent in 2022.

Insurance penetration peaked at 4.2 per cent during the pandemic in 2021-22 but has since declined. The Irdai report highlighted that low penetration reflects a lack of widespread insurance coverage, which is a concern in a rapidly developing economy.

## US trade talks: Apple growers flags concerns

SANJEEB MUKHERJEE  
New Delhi, 27 June

Apple growers from Jammu & Kashmir, Uttarakhand, and Himachal Pradesh have called upon the chief ministers of their respective states to jointly approach the central government to ensure that there are no unreasonable changes in the tariff structure on apples imported from the US, as part of the bilateral trade deal.

Apples, at present, attract an import duty of 50 per cent from the US, which the country is demanding to be brought down. “Since 2001, India's apple imports have climbed from 200,000 tonnes to 600,000 tonnes and from 1.7 per cent of the domestic production to 22.5 per cent. Foreign apples from the US and other countries are out-competing our domestic fruit, putting the lives of more than 800,000 apple growing households in peril,” a statement from the Apple Farmers' Federation of India (AFFI) — a body of apple growers from Jammu and Kashmir, Himachal Pradesh and Uttarakhand said.

## ONGC caps Assam gas leak

### Rudrasagar gas field was leaking for 15 days

SUBHAYAN CHAKRABORTY  
New Delhi, 27 June

State-owned national oil & gas major ONGC on Friday managed to stop the natural gas at the Rudrasagar gas field in Assam which had been leaking for the past 15 days.

ONGC announced that capping operation has successfully completed at the RDS 147A well site in Sivasagar district. “This blowout started on June 12, and has been capped successfully within shortest possible time following all the best practices,” Petroleum and Natural Gas Minister Hardeep Singh Puri said in a post on X.

ONGC's crisis management team (CMT), along with experts from the Texas-based Cudd Pressure Control company, completed the operation to safely remove the damaged Blowout Preventer (BOP) from the wellhead. “The effort was carried out with high precision and coordination to ensure stability and prevent any imbalance or toppling during the lifting process,” ONGC said in a statement.

Once the BOP was safely removed, the pre-positioned capping stack, prepared at the staging area, was carefully and accurately placed onto the wellhead. This redi-

rected the gas flow securely to the top of the capping stack, allowing containment.

Before this, an extra-long boom crane and a 40-tonne crane had been used successfully to remove the 42 tubing stands from the derrick of the rig, clearing the path for the safe removal of the rig base from the wellhead.

The gas leak had sparked widespread fear, and 330 families were evacuated from surrounding areas as a precautionary measure.

The first team of mining engineers and experts from the United States had reached the gas field on June 20, or the 8th day after the leak had begun. The team included experts from the International Well Control Agency.

Rudrasagar is one of India's oldest production sites operational since 1960, and is located on the outskirts of district headquarters Sivasagar. More than 1,500 people from villages around the rig have been evacuated. In June, 2020, a similar gas well blowout in Oil India Limited's (OIL) Baghjan gas field, in Assam's Tinsukia district, resulted in three deaths and large scale evacuation.

ONGC'S CRISIS MANAGEMENT TEAM, ALONG WITH EXPERTS FROM US-BASED CUDD PRESSURE CONTROL, COMPLETED THE OPERATION TO SAFELY REMOVE THE DAMAGED BLOWOUT PREVENTER

# India pushes China for road map for resolving border issues

SATARUPA BHATTACHARYA  
New Delhi, 27 June

Defence Minister Rajnath Singh on Thursday told his Chinese counterpart Admiral Dong Jun that a structured road map of permanent engagement and de-escalation would help in solving complex India-China border issues, the Ministry of Defence (MoD) said in a media statement on Friday.

“Singh stressed on border management and having a permanent solution to border demarcation by rejuvenating the established mechanism on the issue,” the MoD statement said.

Singh met Dong in Qingdao, China, on the sidelines of the defence ministers' meeting of the Shanghai Cooperation Organisation (SCO) on Thursday. In-depth discussions on the need to maintain peace and tranquillity along the Indo-China border were held during the bilateral meeting, the statement said. It added that Singh acknowledged the work being undertaken by both sides to bring back a “semblance of normalcy”. He emphasised the

## ‘SCO document without terrorism reference not acceptable to India’

Union External Affairs minister S Jaishankar (pictured) on Friday said India wanted a reference to terrorism in the outcome document of the Shanghai Cooperation Organisation (SCO) defence ministers' meeting, but it was not acceptable to one member country, an oblique reference to Pakistan. He said Defence Minister Rajnath Singh's view on the matter was right since the main purpose of SCO was to fight terrorism and without a reference on it (on India's concerns on terrorism), he would not accept the outcome document.

PTI

need to create “good neighbourly conditions” to achieve the best mutual benefits as well as to cooperate for stability in Asia and the world.

The defence minister urged to bridge the trust deficit created after the Galwan River valley standoff in 2020 by “taking action on the ground”.

At least 24 Indian and Chinese soldiers were killed in the clash that led to the freezing of bilateral relations, which have started thawing since Prime Minister Narendra Modi and Chinese

President Xi Jinping met on the sidelines of a Brics summit in Russia in October.

The two ministers agreed to continue discussions at various levels to achieve progress on issues related to disengagement, de-escalation, border management, and “eventually delimitation through existing mechanisms”, the statement said.

Singh also briefed Dong on the Pahalgam terror attack, when 26 people were killed in a targeted manner, and on Operation Sindoor — India's military campaign two weeks

later against terrorist camps in Pakistan that India said were linked to the attack.

India refused to sign an intended SCO communique on Thursday because it didn't include the Pahalgam terrorist attack, among other concerns.

Singh also met Russian Defence Minister Andrey Belousov in Qingdao, where they discussed the production of air defence items and air-to-air missiles, as well as the supply of Russian-made S-400 systems and Su-30MKI fighter jet upgrades.

India deployed the S-400 missile system, which is integrated with its indigenous platforms, effectively during the four-day conflict with Pakistan after Operation Sindoor was launched on May 7.

India is seeking to upgrade its Su-30MKI fleets, estimated to be 260. The process, according to government sources, will likely include upgrading avionics, radars, engines, electronic warfare equipment and weapons. It is one the most strategically significant fleets of the Indian Air Force and has been upgraded over the past decade or so.

### NOTICE AND ADVERTISEMENT OF NOTICE OF THE MEETING OF EQUITY SHAREHOLDERS AND UNSECURED CREDITORS OF TVS SUPPLY CHAIN SOLUTIONS LIMITED

Notice is hereby given that the National Company Law Tribunal, Chennai Bench (“**Tribunal**”) by an order dated 30<sup>th</sup> May 2025, (“**Order**”), in the above mentioned joint Company Application has directed convening a separate meeting of the Equity Shareholders and Unsecured Creditors of **TVS Supply Chain Solutions Limited (“the Company”)**, for the purpose of considering, and if thought fit, approving with or without modification(s), the Scheme of Amalgamation proposed to be made between Mahogany Logistics Services Private Limited (formerly known as DRSR Logistics Services Private Limited) (“First Transferor Company”), TVS SCS Global Freight Solutions Limited (“Second Transferor Company”), White Data Systems India Private Limited (“Third Transferor Company”), SPC international (India) Private Limited (“Fourth Transferor Company”) and FLEXOL Packaging (India) Limited (“Fifth Transferor Company”) with and into TVS Supply Chain Solutions Limited (“Transferee Company”) and their respective Shareholders (“Scheme”) pursuant to the provisions of Sections 230 to 232 of the Companies Act, 2013 (“**Companies Act**”) and other applicable provisions thereof and applicable rules thereunder.

In pursuance of the said Order and as directed therein and in accordance with the applicable laws including relevant circulars issued by Ministry of Corporate Affairs and Securities Exchange Board of India, further notice is hereby given that the following meetings be convened through Video Conferencing (“VC”) or Other Audio Visual Means (“OAVM”):

- I. Equity Shareholders Meeting **on Wednesday, the 30<sup>th</sup> day of July, 2025 at 11:00 A.M. (IST)**
- II. Unsecured Creditors Meeting **on Wednesday, the 30<sup>th</sup> day of July, 2025 at 03:00 P.M. (IST)**

The Notice along with the Explanatory Statement are being issued electronically on June 27, 2025 to those Equity Shareholders and Unsecured Creditors who have registered their e-mail IDs, and in physical form on June 27, 2025 to those Members/Unsecured Creditors who have not registered their e-mail IDs with the Company.

The Notice along with the Explanatory Statement and corresponding annexures are available on the Company's website [www.tvsscs.com](http://www.tvsscs.com), websites of the Stock Exchanges, i.e., BSE Limited and National Stock Exchange of India Limited at [www.bseindia.com](http://www.bseindia.com) and [www.nseindia.com](http://www.nseindia.com), respectively, and on the website of NSDL at [www.evoting.nsdl.com](http://www.evoting.nsdl.com). Copies of the said Scheme, and the Explanatory Statement under Section 230 of the Companies Act, 2013 can be obtained free of charge and will be available for inspection at Corporate Office of the Company situated at Tamarai Tech Park South Block 3rd Floor, 16 SP Developed Plot Jawaharal Nehru St, Guindy Industrial Estate, Chennai - 600 032, Tamil Nadu, India, during business hours on all working days, except Saturdays and Sundays.

The Tribunal has appointed Mr. L.N. Gupta as the Chairperson and Mr. Raymond Albyness as Scrutinizer for the meeting(s). The above-mentioned Scheme, if approved by the Equity Shareholders and Unsecured Creditors at their respective meeting(s), will be subject to the subsequent approval of the Tribunal and such other approvals, permissions and sanctions of regulatory or other authorities, as may be necessary.

Further, in compliance with provisions of the Companies Act and SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, the Company is providing the Equity Shareholders and Unsecured Creditors the facility to exercise their right to vote on resolution(s) proposed by electronic means using the electronic voting system (“remote e-voting”) of National Securities Depository Limited (“NSDL”).

The cutoff date for e-voting (including remote e-voting) and time period for the remote e-voting for the aforesaid meetings is as under:

Particulars	Equity Shareholders Meeting	Unsecured Creditors Meeting
Cut-off Date	July 23, 2025	June 20, 2025
Remote-voting start date and time	Sunday, July 27, 2025	Sunday, July 27, 2025
Remote-voting end date and time	Tuesday, July 29, 2025	Tuesday, July 29, 2025

The facility for casting vote by remote e-voting would be disabled after the end time, as mentioned above, for the respective meetings. Once the vote on the resolution is cast by the Equity Shareholder/ Unsecured Creditor, he/she shall not be allowed to change it subsequently.

The e-voting facility shall also be made available during the meeting to enable the Equity Shareholders/ Unsecured Creditors who have not cast their vote through remote e-voting to exercise their voting rights. Equity Shareholders/ Unsecured Creditors who have cast their vote through remote e-voting may attend the meeting but shall not be entitled to cast their vote again.

The instructions, as provided by NSDL regarding the process and manner of remote e-voting have been sent along with the Notice. All grievances connected with the facility for voting by electronic means may be addressed to Ms. Prajakta Pawle, Executive, NSDL, or send an email to [evoting@nsdl.com](mailto:evoting@nsdl.com) or call toll free no. 022-48867000.
